

# JOIN THE LIGHTING REVOLUTION

## “Calling all Electrical Contractors in the NY City area!”

- Con Edison is offering a \$200 rebate for parking garage fixture LED retrofits.
- Haven 365 will provide the LED lights FREE OF CHARGE!
- Clients only pay the Electrical Contractor for the install (YOU!)
- Generate immediate business and help your clients save \$11 per light per month after the retrofit!!! Program Sells Itself!!!

Please note the difference in illumination of the 175 Watt Metal Halide on the Right compared to the LED Fixture on the Left

### Multi-Tube Fixture

#### Options:

- Lens: Clear or Frosted
- Color Temperature: 3500K, 4000K, or 5000K
- Wattage: 44W or 58W to replace 175W Metal Halide Fixtures
